Dales Doing it Together Grant Guidelines

- Applications must be from organisations and groups working in the Dales ward of Nottingham City
- Capital Grants are limited to Year 1
- There will be one panel per year to consider the large grant applications in March 2026 and March 2027. Whilst the maximum large grant award is £15,000 this will be in exceptional cases and we anticipate most awards to be around £10,000.
- Small grants are available to constituted and non-constituted groups quarterly throughout the year
- Groups / organisations in receipt of grants will be required to sign a Partnership Agreement. This agreement will confirm what level of additional information is required (dependent on what level of grant received) and the monitoring requirements. Monitoring will be quarterly and include outputs and outcome measurement.
- Monitoring will be required for all grants
- For the large grants you will be expected to provide evidence of Safeguarding and Equality, Diversity and Inclusion policies and appropriate insurance.
